NOTICE OF INTERVENTION
PASADENA NAACP

AS A ESTABLISHED local Stakeholder Organization
February 3, 2012

Pursuant to order No.1027 and section 20a of the *Rules of Practice*, I, Joe Brown, hereby provide notice of my intervention in this proceeding as a full participant. As an individual representing, and speaking on behalf the **Pasadena** NAACP (NAACP) and the Interdenominational Ministerial Alliance (**IMA**) along with several other community based organizations, we request status/standing in this matter and have an interest in these proposed changes.

Pasadena NAACP membership exceeds 875 and the Ministerial Alliance (IMA) is comprised of over 150 churches and other Faith based congregations representing thousands of worshipers. These changes will have a drastic impact upon our community and individual stakeholders. Collectively, we have members that will be impacted. And, who mail millions of letters, periodicals, and packages each year. Our members and retirees make extensive use of postal products and services as users of the US Postal Service.

Documents should be served to this address:

Joe Brown,
